Drop-off

Where

1. Any grade level student who is eating breakfast or who is in grades K-2 should be dropped at Door B.
2. 3-5 grade students who are not eating breakfast should be dropped at Door C until 8:35. After, they must be dropped at Door B.
3. Parents with an appointment MUST use Door A and MUST sign in. Access will be granted through buzzer system only.
4. Late drop-off will be through door A only and will be granted through buzzer system only.

How

Parents are encouraged to drop students anywhere along the “Loading Zone” then safely pull into the thru lane to exit the parking lot. If traffic permits, pull up to the appropriate door for drop-off, but, don’t forget that it is O.K. to drop-off your child at any point in the “Loading Zone” lane if traffic backs up. This will improve the overall flow of traffic. Student drop-off is restricted to one lane adjacent to the “Loading Zone”. Any student must be escorted by an adult across traffic if they are entering from parking spaces. Finally, we ask that parents take care of kisses and hugs before drop off, and if you feel the need to watch your child walk all the way into the school, we ask that you park in an approved spot and walk up with them.

Pick-up

When

1. Car Riders/Walkers will be brought out for pick-up beginning at 3:05

Where

Student pick-up is restricted to one lane; all students must be escorted by an adult across traffic if they are exiting to parking spaces. Parents choosing to park are encouraged to wait near Door B as students will exit from this door.
