

RIVER FOREST COMMUNITY SCHOOL CORPORATION

HENRY S. EVANS ELEMENTARY

Mr. Andrew Wielgus, Principal Mrs. Angela Ayers, Assistant Principal
2915 E. 35th Avenue Lake Station, IN 46405

April 4, 2017

Dear Parents,

Two weeks ago, we were approached by the Lake Station Police Department and asked to change the direction of cars coming into the parking lot to pick up children after school. This was due in part to traffic complications from cars parked along 35th St. waiting to turn right into the parking lot and causing busses to interfere with oncoming cars. After much deliberation, both our administration and the police department, felt it was best to reroute entering cars from Nebraska St. rather than 35th Ave. Beginning on Monday, April 10th, Nebraska St. will be closed to cars turning into the school parking lot from 35th St. Instead, they will need to line up along the right hand side of Nebraska St. and approach the double lanes within the parking lot. Once your child has been safely placed into your car, you may then exit the parking lot by ONLY turning right onto Nebraska St. The picture on the following page shows the new procedure.

We apologize for the inconvenience this causes. We understand it is frustrating to change things mid year, and we have done this twice. Please know that ultimately, all of these changes are about creating the safest environment for your child, for you, and for others on the road. Thank you very much for your cooperation and support to us. It is greatly appreciated!
